

TOMI

*The raw structure, which is like the core of any construction, is like the core of the life as food.
Meeting, Eating, Resting, Working are few of the functions incorporated in our space.*

A space which can accommodate approximately 10 people for their sharing and thoughtful experience of meet, greet and eat.

During the day the Noren curtains provide a protection from sun, dust and rain. The Solar panels can be a source of energy for the lights at the night.
